The Research Platform

Studies
- 12 nested studies (including ultrasound at labor triage)

Partnerships
- Uganda Ministry of Health
- Makerere University
- 6 public hospitals in Busoga Region

People
- Peter Waiswa, PI, PTBi-Uganda
- Regional Advisory Board
- 140 clinicians trained to respond to obstetric and immediate postnatal emergencies

Studies
- **CRCT to assess the impact of an intrapartum package to improve quality of intrapartum and immediate newborn care at the facility level on 28-day mortality among newborns. >37,000 births registered in Uganda, >16,000 births registered in Kenya**

Studies
- 11 nested studies

Partnerships
- Kenya Medical Research Institute
- Kenya Ministry of Health
- Migori County Department of Health
- 17 public hospitals in Migori County

People
- Phelgona Otieno, PI, PTBi-Kenya
- National and county advisory boards
- 240 clinicians trained to respond to obstetric and immediate postnatal emergencies

Studies
- PTBi East Africa Program
- Discovery Research Program
- PTBi Post-Doc Fellowship
- Informatics Hub

Partnerships
- Bill & Melinda Gates Foundation
- Strategic Advisory Board
- East Africa Advisory Committee
- PTBi-CA
- WHO (Guideline Development Group, QED, MONITOR)
- PTB/LBW Steering Committee
- Warm Up America! Foundation
- G-ANC Collaborative

People
- Dilys Walker, PI, PTBi-East Africa
- Implementation Science Team: project managers, data scientists, administrators, clinicians, mentors, MLE experts, communicators, strategists

Studies
- **The largest CRCT on group antenatal care, >16,000 enrolled**
- 4 nested studies

Partnerships
- University of Rwanda
- Rwanda Biomedical Center
- Rwanda Ministry of Health
- 36 health centers across Rwanda

People
- Sabine Musange, PI, PTBi-Rwanda
- 70 nurses and 216 community health workers providing group antenatal care
- 36 nurses providing ultrasound
- 650 community health workers providing urine pregnancy testing
